

City Trip

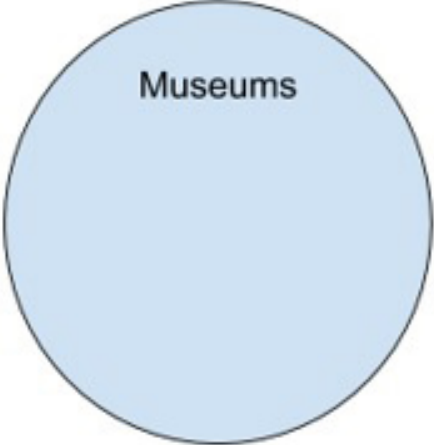

You're going to plan a trip for a day out to a city.

Choose a city you would like to visit that you have never been to before.

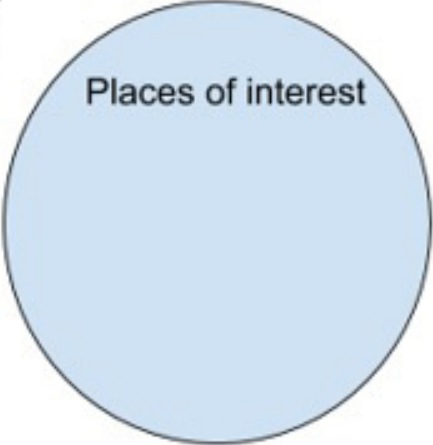

Go online and find out about the following things in the city you are going to visit:

Public transport

Museums

Places of interest

Shopping

Food and drink

With the information you found about the city you are going to plan your day.
Use the table below to help you plan:

Time	Activity	Cost
9am		
Lunch		
Dinner
